

National Service Scheme (NSS)

With an aim to develop students' personality through community service, the Institute has one unit of NSS with 122 volunteers. The ideological orientation of the NSS is inspired by the ideals of Mahatma Gandhi. The motto of NSS, "Not me but You" is instilled in the students by various activities such as Shram daan, clean campus drives etc. Such humanitarian activities help in developing a sense of social service, moral values and ethics in the students to make them responsible citizens of the society.
