A Constituent Unit of NCERT, New Delhi

NAAC Graded A+ Institute

(An Autonomous Organisation under Ministry of Education, Government of India)

PLACEMENT CELL

ABOUT INSTITUTE

The National Council of Educational Research and Training (NCERT) was established in 1961 by the Ministry of Education, Government of India to prepare quality teachers in Science, Humanities, Commerce, Agriculture and Technology. The NCERT has five Regional Institutes of Education (RIEs) as its constituent units located at Ajmer, Bhopal, Bhubaneswar, Mysore and Shilong.

Regional College of Education, Ajmer foundation stone was laid down in 1962 by the then Education Minister, Government of India, Shri K.L. Shrimali. Later, it was renamed as Regional Institute of Education (RIE), Ajmer in the year 1995. It looks after the educational interests of Northern Region comprising the states and UTs of Haryana, Himachal Pradesh, Punjab, Rajasthan, Uttarakhand, Uttar Pradesh, Delhi, Chandigarh, Jammu & Kashmir and Ladakh. The Institute is situated around six km. away from the Ajmer Railway Station and Bus Stand in midst of idyllic surroundings with the historic Anasagar Lake in front and the Aravalli hills all around. It is almost equidistant from the world famous Dargah of Khawaja Moinuddin Chisti beyond the lake and the holy place of Hindu pilgrimage, Pushkar, at the back. This Institute, with its spacious buildings, playgrounds, gardens, lawns and farm is spread over 110 acres. It is affiliated to the M.D.S. University, Ajmer and its courses are recognised by the NCTE, New Delhi. It is controlled and managed by the NCERT. The management committee, chaired by the Vice-Chancellor of the affiliating university performs the advisory role on matters of academic interest.

FROM PRINCIPAL'S DESK

Welcome to Regional Institute of Education (RIE), Ajmer, one of the premier institutions of teacher education in India. In order to ensure quality in learning, it is to prepare teachers to face the challenges of the dynamic society and impart quality education. The quality and excellence of the entire process of teacher education lie in its appropriateness of design, effectiveness of curriculum, soundness of structure, viability of organization, efficiency of transactional modes, appropriate integration of technology and above all its continuous commitment to meaningful research and innovation. The National Education Policy 2020 also talks about the issues and concerns of Teachers and Teacher Education and has made recommendations to ensure quality teachers at all levels of school education, their improved service conditions, career management, professional development, etc. In view of the above, the Institute envisions providing education in an amiable environment and is nurturing innovation, creativity and leadership qualities amongst the students for their holistic development. It currently offers six programmes/courses, namely, B.Sc.B.Ed, B.A.B.Ed, B.Ed, M.Ed, DCGC with significant emphasis on achievement of PLOs and CLOs. The faculties of the Institute are also registered as Ph.D. Supervisors with the affiliating University providing guidance to research scholars. The Demonstration Multipurpose School (DMS) is also an integral part of the Institute and serves as a laboratory for carrying out research, practice teaching, experimentation and innovation in school education. The institute has dynamic and highly qualified and experienced faculty to contribute in holistic development of the students through pre-service and in-service programmes. The Institute believes in aiding excellence to train our future teachers and constantly sets high standards in providing quality education.

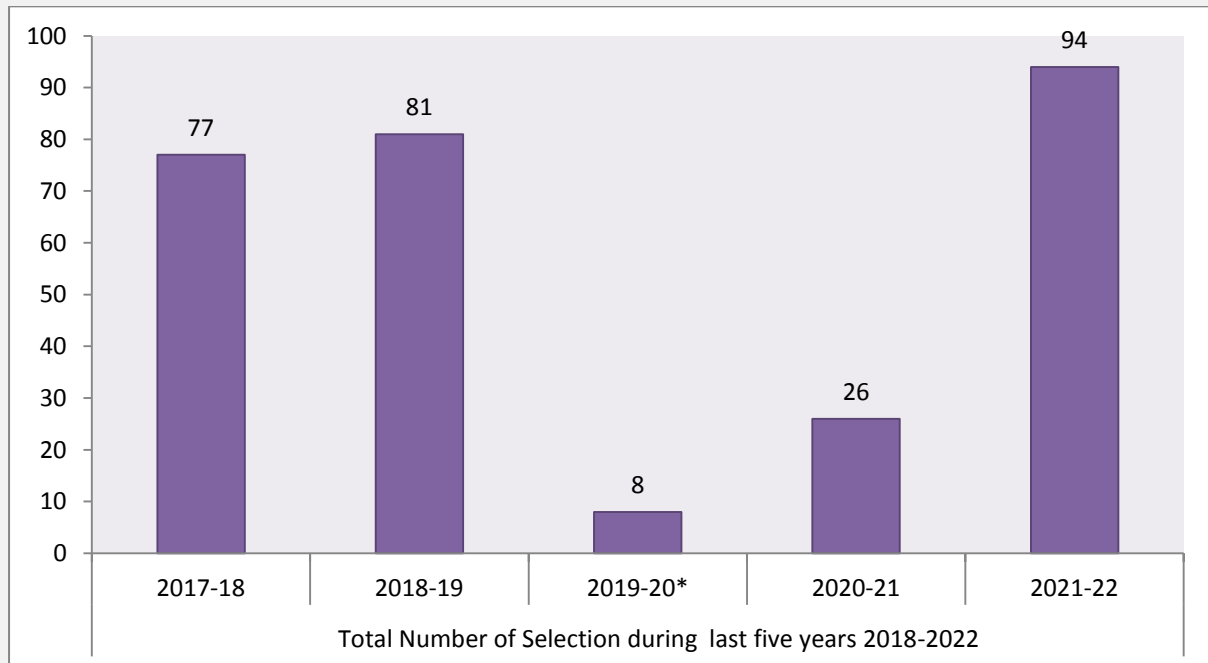

Campus Placements would be a brilliant opportunity for your organisation to recruit students who have the capability to introduce novel ideas to your operations and add value to your organisation. In turn, this will provide our students an opportunity to get an insight into the competitive world. The high reputation of RIE, Ajmer attracts many reputed organisations for placements. We are extremely delighted to be associated with these companies and are always looking forward to strengthen the association with them.

ABOUT PLACEMENT CELL

The Placement Cell has been working successfully to connect the job seekers with the educational stalwarts who handpick the selected few that match the requisite field of knowledge and expertise. The Placement cell prepare the recruitment schedule for the year, inviting educational organisations for pre-placement talks on campus, followed by final placements, and overseeing the process till the end, is a responsibility that the Placement Cell endeavours to carry out successfully. Our commitment towards students is reflected in the rising quality of placements that students get every year. Besides academics, students also learn from their vibrant community life on campus. They manage and take part in a number of co-curricular and extracurricular activities which provides them with opportunities to grow beyond classrooms. We look forward to nurture and grow old relationships and welcome new recruiters for a long-lasting camaraderie.

The Institute conducts sessions on future aspects; CV writing and even tries to improve a student's soft skills by organising communication skills workshops. The institute also took the novel initiative of CV vetting which ensures credibility in student organisation relation in eradicating discrepancies in student's CVs and provide them with updated information.
